Mark -- As it stands, a vehicle has been budgeted for the 13th, but we can cut the driver and save the funds if you don't mind taking a taxi. Otherwise, the driver will be available for you four and you can arrange times directly with the service. We just need to know either way. Once the driver is booked you'll be charged the fee even if you cancel later.

Jane, Kevin, Millan, and I are relatively low maintenance. Whatever is easiest to get the four of us to the airport in Bologna for our departure on the 13th is good for us.

Thanks so much, Mark

ALCON,

To follow previous email...

I will have a notional schedule to send this afternoon if you could help with contacts.

Also, do you have an updated vehicle manifest for June 10th, and details on who is staying where? Please also let us know if you have a train number for the June 10th arrival.

We also need to know if a van/shuttle will be needed for the four EPA folks who are staying behind in Bologna and departing the 13th. Will they need the contracted car or take taxis to the airport?

Thanks,

Great. If you've been in touch with the contacts in Bologna, it might be best for you to sketch out the site visit schedule for Monday – Savoia, FICO, Palazzo Re Enzo. That seems most efficient. I'm reaching out to Mark to see what time he will arrive Monday. Once we know that I think we can figure times for the three site visits.

+Adding [Redacted] as far as being in touch with the contacts in Bologna.

They have one security person travelling up on June 5, Brian Boats. You are correct about the two sites, plus the G7 Banquet location (Palazzo Re Enzo).

[Redacted] I'm not sure what kind of assistance we can provide with scheduling since you all have the contacts. There are only two sites from what I can see, the Savoia Hotel and FICO. Have you been in touch with them about the advance; where do things stand? The security side is still a question mark. Do you know if the security details will join the advance on the 5th?

Thanks [REDACTED]

Mark,

This is what I have so far for the advance. Do please let me know what time everybody wants to leave on June 5 and return time. Reminder it is about a 2hr ride.

[REDACTED] – Any help you can provide for mapping out a schedule for Bologna. I figure the venue are straightforward already from the EPA schedule.

Side note for Mark: I believe the issue with PSD is that [REDACTED] will be in Bologna beginning June 5, but he is one of the agents that will have a weapon. He needs to be present in Rome to do so. So the question stands, does he come back to Rome to get the weapon and then back to Bologna. The next question/issue after that is why is he in Bologna with a weapon with no Administrator there. These become issues with the Italians.

Thanks Mark. I'm adding [REDACTED] who can give you your schedule for Rome Advance.

So [REDACTED] can better plan for Bologna, can you confirm how much time the advance would like on the ground? Lee was thinking you could leave on an early train (around 7) and come back at around 5? That would give you about seven hours on the ground.

Let Lee know so he can purchase tickets, please. [REDACTED] would then know when to pick you up and formulate a schedule.

Best, [REDACTED]

Hi [Ex. 6 - Personal Privacy]

RSO has made inquiry of our PSD this morning for advance schedule. I've told them Lee is working on it but provided general outline of Wednesday afternoon through Thursday in Rome and Monday in Bologna.
